

## ROUNDTABLE ON MANAGING WORK-RELATED MOBILITY: INVITATION TO PARTICIPATE

You have been selected to participate because of your interest or involvement with employees who have to travel long distances to work; who are away from home for extended periods and need housing and/or other supports; who work in multiple locations (such as home care), are transient workers (such as construction) or mobile worksites (such as trucking); and who rely on mobility-related support to be productive at work and successful in life.

The [On the Move Partnership](#) and the [Vanier Institute of the Family](#) invite you to participate in a roundtable to discuss findings to date from On the Move researchers studying work-related mobility and its impacts on individuals, families and communities across Canada.

Engage in conversation about your experiences as employers and human resource managers managing employees engaged in different kinds of work-related mobility; your strategies for supporting them; and, your ideas about where the research should go next.

**Where?** Aon Room, Alumni House – University of Alberta  
87 Avenue and 116 Street, Edmonton ABT6G 2H6

**When?** April 11, 2018 8:30 a.m. to 12:00 p.m. (8:30 a.m. refreshments/networking; 9:00 a.m. start)

**Why?** Your experience matters! Our research on workers on the move needs your input to strengthen the research and increase the value of the resources that will be generated for human resource professionals and practitioners, front line managers/supervisors and others.

**RSVP?** Space is limited. Please RSVP via [Eventbrite](#). Invitation is transferrable - please contact first.
